#### Title

SayOneYes Diaper Bag Backpack with Charging Station, Multi Function Diaper Bag Gift for Newborn Girls Boys, Travel Bag Pack with Changing Station, Stroller Straps and Large Capacity (Black)

#### **Bullet Points**

- 1. ➡ [High Quality Materials] Waterproof backpack has high quality fabric can well protect your items from raindrops on rainy days. And the zipper has been tested many times and can be easily zipped up. Made of Cationic Dyeable Polyester, durable, non-deformable stitching, strong zipper can be used for many years.
- 2. ➡ [Large Capacity Backpack Diaper Bag] Large diaper bag has 2 main and 12 functional pockets meet all the demands of a mommy, separate the clothes, bottle, underware, towels and diaper away. Diaper bag with insulated pocket will help you organize all kinds of items neatly. Baby diaper bag offers plenty of storage to fit all of your mum (or dad) essentials for your baby girl or boy (or even twins!) Even if you carry a lot of stuff, the appearance still doesn't look too huge.
- 3. ➡ [Convertible and Versatile Diaper Bags] Diaper bag can be used as backpack, handbag, also can hang on the stroller. Elegant and suitable for many occasion like shopping, traveling etc. You can enjoy the picnic in the park while having your baby sleeping quietly in the diaper bags portable bassinet. Travel backpack special design for travel with your boys & girls, an ideal baby shower gift.
- 4. → [Humanized Design] Backpack with usb charging port specially designed to make it easier to charge your phone and free up your hands. Large Diaper bag has breathable cushioned straps and back pads will cover the weight and come with adjustable buckles. Diaper backpack is equipped with two detachable hooks for easy hanging at leisure. The inside of the backpack diaper bag is equipped with a key fob for easy storage of keys.

5. → [Care and Safety] To prevent stroller from tipping, make sure that you have detach the baby bag from the stroller before removing your child. To prevent straps being entangled when the baby backpack is hanging on stroller, make sure that shoulder straps are in line well that they would not entangle stroller straps. When changing the small diaper bag into bassinet, baby bag backpack should be full so that the bassinet can stand in balance.

## **Description**

## ☐ Spacious Diaper Backpack for Mom and Dad:-

Great diaper bag organizer for all sorts of baby stuff. You get well-layered compartments to keep separated wet and dry nappies, bottles, diaper cloths, side pockets for baby wipes, umbrella, drinking bottle or more, 3 enlarged insulated pockets.

## ☐ Diaper Bag and Foldable Crib:-

Baby Diaper backpack bag has a foldable crib, a soft foldable changing pad for diaper bag and a shade cloth. The shade cloth of baby bags for newborn unisex protects baby from UV rays and sunburn. The best diaper bag pad measures 30\*13 inch, enough to accommodate baby's rest and isolate dirt and weeds.

#### ☐ Travel Bassinet for Babies:-

Large diaper bag backpack is not just a bag, it is also a baby portable bed. When the baby is sleepy outdoor, it can be opened to let baby sleep comfortably, giving your baby a safe, clean, and comfortable nest for him to sleep, which also eases mom's and dad's stress and sore.
